## SCHOOLS' CHIEF ADMINISTRATOR'S MESSAGE

Welcome to the SADA Schools' Competition for 2024.

Debating is an important co-curricular activity that promotes the development of effective communication and analytical skills whilst improving students' ability to work in a team. It is fantastic that debating continues to develop and remain well supported in South Australia.

### Schools' Competition

This year the SADA is continuing with a number of improvements to the Competition.

- **Venues**

All debates to be held at one of three central school locations as follows:

- Senior A Grade held on Wednesday evenings and Intermediate A Grade held on Thursday evenings at St Peter's College
- Senior B held on Wednesday evenings at Glenunga International High School
- Junior A & B and Intermediate B Grades held on Tuesday evenings:
  - Zone 1 at Prince Alfred College
  - Zone 2 at Seymour College

- **Power Pairing**

The draw for Senior A & B grade debates, after Round 1 which is predetermined, is based upon "power pairing" system" when teams on win/loss and team point score totals are drawn to debate against each other.

- **Secret Topic Debates**

Debaters have 60 minutes to prepare for their Secret Topic debate without the assistance of coaches.

- Intermediate A Grade - 2 Secret Topic debates (Round 4 and 5)
- Senior B Grade – 3 Secret Topic debates (Round 3-5)
- Senior A Grade – all Secret Topic debates

- **Topic Resource Guides**

For some debates, the SADA produces *Topic resource guides*. The aim of the guides is to assist teams with their brainstorming, research and case construction.

Available *Topic resource guides* can be found on the SADA website at:

<https://www.sada.org.au/schools-competition-topic-resources>

- **Forfeit / Reschedule Debates**

We acknowledge that at times a debate may be forfeited due to circumstances such as illness. In such cases the advice of forfeit should be received no later than lunchtime on the day of the debate. A forfeit notification is via the [online form](#).

Scheduled debates may conflict with other school events such as camps, musicals. As such a team may seek to reschedule with the approval of the opposing team and the SADA. If a date or time cannot be mutually agreed then the forfeit is upheld.

In both cases, we request that seeking to reschedule or forfeit a debate must occur in a timely manner.

### TOPIC RESOURCE GUIDES

The SADA's topic guides are prepared for all Junior and Intermediate topics and for some Senior B and A topics. Whilst the topic guides should aid and inform you when preparing for debates they are by no means a substitution for researching and preparing on your own. You should not simply structure your speeches around the questions asked nor demonstrate over reliance on any resources linked. They are preliminary materials to merely assist your own brainstorming, research and case construction.

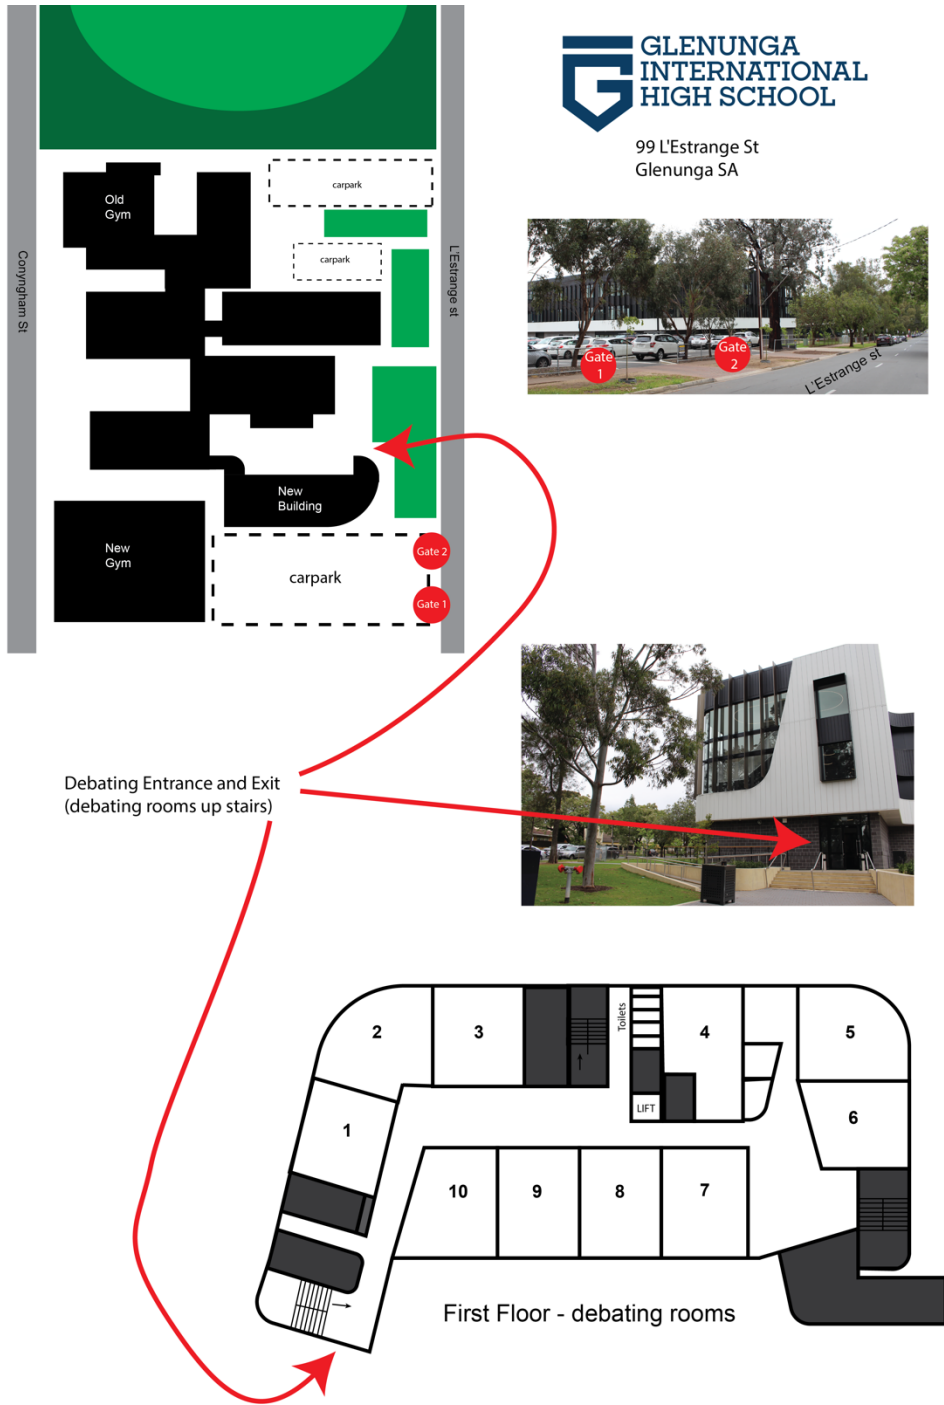

**Topic resource guides can be found on the SADA website at the following web address: <https://www.sada.org.au/schools-competition-topic-resources>**
